REMARKS

Applicant notes with appreciation the Examiner's indication that claims 1-20 are allowed. Without acquiescing to the Examiner's position with respect to claims 21 and 22, those claims have been cancelled without prejudice to the filing of a continuation application thereto. Accordingly, Applicant respectfully requests issuance of a patent containing claims 1-20 in due course. If there remain any additional issues to be addressed, the Examiner is invited to contact the undersigned attorney at 404.815.6147.

Respectfully submitted,

Kristin Crall
